

Youth Solutions Service Offerings

Our programs

We deliver fun and interactive health education programs. Our programs focus on knowledge and skill development to prevent drug & alcohol related harm and increase wellbeing and connectedness. All programs are tailored to the needs and abilities of the young people and can be delivered online or in person.

Youth Solutions is a youth drug and alcohol prevention and health promotion charity working with young people 12 – 25 years of age in the Macarthur and Wingecarribee regions of NSW.
